**LAS VEGAS, Nevada, January 23, 2019 (GlobeNewswire)** – Consumer Portfolio Services, Inc. (Nasdaq: CPSS) (“CPS” or the “Company”) today announced the closing of its first term securitization in 2019. The transaction is CPS's 31<sup>st</sup> senior subordinate securitization since the beginning of 2011 and the 14<sup>th</sup> consecutive securitization to receive a triple “A” rating from at least two rating agencies on the senior class of notes.

In the transaction, qualified institutional buyers purchased \$254.4 million of asset-backed notes secured by \$265 million in automobile receivables originated by CPS. The sold notes, issued by CPS Auto Receivables Trust 2019-A, consist of five classes. Ratings of the notes were provided by Standard & Poor’s and DBRS Inc., and were based on the structure of the transaction, the historical performance of similar receivables and CPS’s experience as a servicer.

The transaction utilizes a pre-funding structure, in which CPS sold approximately \$166.1 million of receivables at inception and plans to sell approximately \$98.9 million of additional receivables during February or March 2019. This further sale is intended to provide CPS with long-term financing for receivables purchased primarily in the month of January.

The transaction was a private offering of securities, not registered under the Securities Act of 1933, or any state securities law. All of such securities having been sold, this announcement of their sale appears as a matter of record only.
